Patty,

(U//~~FOUO~~) Hear you. If this was a "normal" September, we would be looking for those quick wins. Unfortunately we have received numerous consults on litigations so we have not been able to focus on pulling quick cases from our backlog. I'm hoping things will ease up in the next week or two. v/r [Redacted]

Hi [Redacted].we know how busy you and your team are, but if there is any way that we could get a quicker response, it would be greatly appreciated; this is a very small document (6 pages), and most of it is redacted, so it shouldn't take long to review. It would be a quick win for your backlog, too! If you simply can't get to it, though, we understand. Thanks so much! Patty

Sir,  
  
NASIC received a FOIA request with one document from the National Reconnaissance Office (NRO) review with response back to them.

Please review the document that shows the NRO redactions, it is named "Document for Review." Please review the non-bracketed information to determine if the information would still be classified or sensitive to national security interests, please highlight in yellow all information that should be denied and provide a justification for the denial. Also, let me know if other NASIC offices need to review the document.

You may view the documents at the following locations:

Doc 2 - NRO Overhead Systems Support 8 1 (Winter 2010):

(U) Request your office conduct a review for proper classification and for any sensitive information that you feel should be withheld from release. Please highlight or bracket only the specific information that needs to be denied in the interest of national security. For each instance in which material is marked for denial, please explain the rationale for withholding, so that the IRRG can appropriately apply FOIA exemptions.

**PLEASE TREAT ONLY YOUR OWN OFFICE'S EQUITIES.** Please copy and paste your treated document in the folder titled, "TREATED DOCUMENTS." with your office designator. DO NOT treat the original document.

All (b)(3) redactions on this page pursuant to 10 USC 424

(U) These documents will be coordinated externally with NGA and NSA after final review.

**Why it needs to be done?**

(U) FOIA, 5 U.S.C. § 522 as amended.
